

A  
Note from  
the Choir

*Make a joyful noise unto the Lord!*  
**Psalm 100**

The Bible instructs us to give Him praise through music, so why not come and join the Mt. Scott Church of God choir as we begin this new choral season? James Cameron, the choir director, would like to invite anyone who is interested (whether you read music or not!) to come and participate Wednesday evenings from 7-8:15pm in the sanctuary at Mt. Scott Church of God. If you are a non-reader of music, have no fear in that there are practice CD's especially for you! We will be preparing some great music, including lots of Christmas music, in a variety of styles from Cajun to traditional, all the while praising our Creator. Have questions?
